

CONFIDENT CUSTOMERS FOR LIFE
Extended Warranties from YORK®

Invest in your reputation

Ensure complete customer satisfaction with extended warranty plans from YORK® that provide comprehensive, cost-effective coverage to homeowners. This drives customer loyalty, incentivizes premium purchasing decisions, and bolsters your reputation for quality.

Close more sales

Extended warranties give customers peace of mind, which encourages them to invest in premium, energy-efficient products. In addition, there are no hidden charges.

We built it. We back it.

Our plans, like the products they cover, guarantee American Quality. All warranties are factory-backed and not outsourced to third-party vendors. Our extended warranties cover drive time, labor hours for repairs, and parts mark-up.

Affordable and easy

Confidence and Confidence Plus are more affordable and comprehensive than comparable competitor packages. Download the Ducted Systems Warranty Registration app to register a product from almost any location and purchase a plan quickly and simply.

Our Confidence and Confidence Plus plans give your customers the peace of mind that comes from knowing their investment is secured with extended protection, without hidden deductibles, so they keep coming back to you. Add even more confidence and profits with the enhanced coverage that comes with our new plans.
